

PARENT TEACHER FELLOWSHIP 2009-2010

Revised version as of 7-29-09

The PTF partners parents and teachers to provide opportunities for Christian growth and fellowship for families and children in preschool through 8th grade at SFLS. The PTF coordinates various activities and fundraising events that help support various activities and trips, and that assist with the purchase of items that enhance the educational experience (i.e. Smart Boards, classroom cabinetry, library materials). Below is a listing of the activities sponsored by PTF this year. We would be excited to see every family involved in at least one event! **Please prayerfully consider sharing your time and talents by signing up for the various committees listed.**

Simply mark the event(s) and complete the information at the bottom. **Please return the form August 4 at registration or to office before Monday, August 24th.**

Thank you for being a vital part of the SFLS family!

It is very important that we have people willing to lead these committees. If you are willing to help in that manner, please write **CHAIR** next to the event.
