

# Student Computer and Internet Agreement.

Students of Sioux Falls Lutheran School will be allowed Internet access only when supervised. Authorized Internet use will be in support of education and research and will be consistent with the educational objectives of the school.

I, \_\_\_\_\_, will use Sioux Falls Lutheran School computers and related equipment only as authorized. I will use the computers and Internet access only in ways that do not conflict with God's Law, the teachings of the Lutheran Church - Missouri Synod, and teacher directions. I will not use or attempt to access for viewing or interacting any pornographic, violent, or satanic materials, nor will I use materials that any member of the Sioux Falls Lutheran teaching staff deems inappropriate. I will not load or use any computer programs other than those authorized by the School's computer administrator (Examples: no computer games from home; no downloading of Internet applications). I will not participate in any chat rooms. I will use email or Instant Messages only when it is part of a supervised instruction during class time. I will not reveal my last name, phone number, or address to anyone on the School's Internet access. I understand that consequences for failing to follow this agreement could be as severe as in-school suspension, a failing grade in computer for the quarter, and suspension of all computer use for the remainder of the quarter.
